

### Degree Recognition performs the following tasks:

- Expert assessment (recognition) of foreign education and/or qualification documents for academic and professional purposes and matching the level of education obtained abroad to the Russian education levels;
- Preparing information for the National Information Center (Main State Center for Education Evaluation) of the Russian Federation on the SUSU procedure of recognition of the foreign education and/or qualification, foreign academic degrees and/or titles;
- Consulting on the issues of recognition and legalization of education and/or qualification documents for the purpose of using them abroad.
